General: Lawrence was only 10 years old when he entered his first Old Time Fiddlers Contest. He made a fiddle when he was a teenager. He and his brothers would play at square dances as a teenager. Shortly after he was married he had his own band called Lazy Larry and the Sleepy Hollow Boys. They played on the radio for a short time. He ran a trap line for several years in the late 1940's. From that he tried taxidermy. He mounted a raccoon, muskrat, red fox, opossom, weasel, Canadian goose head, and an albino raccoon. He loved to fish and spent almost every weekend fishing during the summer. That brought out the wood carver in him. He carved two life size catfish of the ones he caught (one 16 3/4 lbs. and one 23 lbs.) His garden was his pride and joy. His biggest tomato was 8 1/2" across. After he retired he started his hobbie of knife collecting then knife making.
